Dear Rakesh san

We have no supply avail at Gove, Australia. In Australia we can supply HSFO at Fremantle, Kwinana and Brisbane but not for LSFO sulfur less 1.0%.

Best regards

Dear Jennifer

She will be at Gove to load alumina for discharge in Kitimat.

Can you please advise if can get

400 Mts of HSIFO + 150 Mts of LSIFO with S < 1 % at Gove ISO spces . between 18 -22 Oct

Alternatively what will be best port to bunker her as she does not have enough bunkers to reach Kitimat.

Regards  
Rakesh
